**Association for Women in Technology Presents Our
Quarterly Interactive Technology Forum
Using Social Media**

IRVINE, Calif., January 20th 2010 — AWT presents an evening dedicated to the discussion of social media business practices by an impressive panel of experts who have successfully embraced this technology to grow their businesses. Here you can extend your knowledge of social media, learn from experts on integration of social media tools into your organization, discuss emerging social media trends in the industry, discover and evaluate services and products available and network with other attendees and gain valuable leads, exchange personal experiences, and make connections with technologists in the field! This workshop is for ALL IT professionals, including men and women. Complimentary hors d'oeuvres & beverages will be served. Parking is free for AWT members and guests.

Date: Wednesday, February 10, 2010

Time: 6:00 pm - 8:00 pm
